

Increasingly difficult market conditions mean that all those who operate in financial services must be on the lookout for additional income streams. This is precisely why more and more advisers are realising the potential that lies within the field of **equity release**.

This is why **PFC Mortgages** is pleased to have teamed up with one of the UK's leading equity release specialists Age Partnership, to provide a referral service for our members.

**Superior Exclusive Products from leading providers!**

### What Makes a Good Equity Release Lead?

Lenders criteria all differ but potential customers will need to:

- Be aged at 55 or over.
- Be looking to raise at least £10,000
- Live in the property as their main residence
- Be able to clear any outstanding mortgage using the proceeds from their equity release plan
